QR TABLE ORDERING · TBILISI

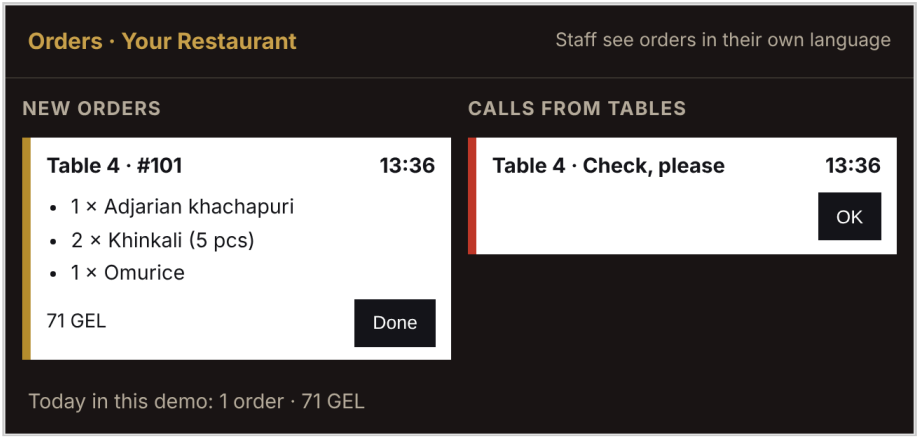

Guests order from their phone. Your staff get it at once.

სტუმრები უკვეთავენ ტელეფონით — შეკვეთა მაშინვე მიდის თქვენს პერსონალთან

1 month free · პირველი თვე უფასოდ

Guest phone: menu in 6 languages with photos and GEL prices

Staff screen: the order and table number arrive at once, plus “call staff” and “check” requests

No lost orders
Written order with the table number, no paper.

Small team, busy lunch
Staff bring food instead of taking orders.

Made by restaurant owners
We use it every day at Japan Food Hub.

Tourists order more
EN · ქართ · RU · 中文 · 한국어 · 日本語

We set it up
Your menu, photos, prices and table QR codes.

Your neighbour
We live in Tbilisi and come if something breaks.

After the free month, per restaurant:

Start · 49 ₾/month
QR ordering, call staff, bill request, 6 languages. You edit the menu.

Standard · 99 ₾/month
Start + we enter your menu and photos, print QR codes, train staff and come to fix things.

All-in · 199 ₾/month
Standard + hygiene (HACCP) records, staff shifts and sales reports.
